

# I-HELP

## Emergency Shelter & Daytime Resources

Tempe Community Action Agency (TCAA) provides overnight emergency shelter for adults (18 and older) experiencing homelessness. For over 17 years, TCAA has been providing a cost-effective model that leans on the generosity and support of local faith organizations.

Each night, I-Help partners provide overnight sleeping space and dinner for those enrolled in I-Help. A safe space to sleep, a hot meal, and care for up to 40 adults every day of the year is a monumental task, so any ways we can step in is helpful.
